Fee: €90.00 INMO Members; €145 non members

Time: 9.30am - 4.30pm (registration 9.15am)

6
CEUs
NMBI
Accredited

This new one day programme is for Midwives and Nurses working in the area of maternity care and services.

This programme will identify the requirements within their service relating to the National Standards on Maternity Standards (2016) perspective. It will prepare participants for inspection based on learning from the inspections of other services and other disciplinary inspections to date.

The main focus is to outline the eight themes of the National Standards for Safer Better Healthcare and provide best practice guidelines and experiences within the inspection process aligning with the National Midwifery Strategy (2016) and Practice Standards for Midwives, Nursing and Midwifery Board of Ireland (2015):

- Theme 1: Person Centred Care and Support**
- Theme 2: Effective Care and Support**
- Theme 3: Safe Care and Support**
- Theme 4: Better Health and Wellbeing**
- Theme 5: Leadership, Governance and Management**
- Theme 6: Workforce**
- Theme 7: Use of Resources**
- Theme 8: Use of Information**
